As we continue to prepare for the impact of Coronavirus in our communities, we'd like to share the following:

***If you are feeling ill, please do not come into the office***

***Telehealth services are now available***  
*Please contact your provider for more details*

When you are in our offices:

*Please refrain from shaking hands with others*

*Be sure to follow Standard Hygiene Precautions –  
handwashing for 20 seconds or more*

*Use Hand Sanitizer*

We encourage all patients to monitor the CDC website for the most current information related to the Coronavirus:
